Traction Ag Horsham are offering working holiday positions to AGCO trained Qualified Technicians for Harvest 2023

Based in Horsham, the largest town in the Wimmera located half-way between both major capital cities, Melbourne, and Adelaide. This is an experience of a lifetime with a family-owned company, working on the full AGCO product range; Fendt, Massey Ferguson, Gleaner and more! We are offering free accommodation, all expenses paid work vehicle and above award wages for the duration of your stay.

Horsham offers a unique lifestyle - with excellent healthcare, education, arts, and entertainment options. Our major capital city, Melbourne is a 3-hour drive to weekend entertainment and our major international airport. The Wimmera region is rich with outdoor activity options - water sports on our various rivers and lakes including water skiing, swimming, and fishing - the Grampians (Gariwerd) and Mt Arapiles (Dyurrite) National parks offer world-class rock climbing, walks & hikes and other nature-based activities including 4wd tracks.
